**Brief outline:** The talk will be covering the admissibility of digital evidence in Malaysia

**About Speaker- Annou Xavier** graduated from the University of London and was admitted to the Honourable Society of Lincoln's Inn in 1996. He was later called to the Malaysian Bar in October 1997. Since then, he has been an active practitioner, specializing in the area of corporate and civil litigation, with many of his cases being reported in the Malayan Law Journal, Current Law Journal (cljlaw.com) and All Malaysia Reports. (<http://www.alss.co/our-people-2/partners/annou-xavier/>)

Annou appears almost daily in Courts for trials and hearings on civil and corporate disputes. He describes the Courts as his 'second home' and manages his practice with a combination of technical and technological knowledge in conducting trials and appeal.

Annou has been involved in some high-profile human rights and controversial Constitutional law cases and in recent times, assisted Stateless people in Malaysia in obtaining citizenship under the Constitution and applicable laws. His cases constantly catch media attention due to the complexity and peculiarity of such cases.

Law, through the eyes of Annou, is a living creature. It evolves, grows and moves with modern times. But like all things, Law must be promulgated for common good.

The Organiser reserves its rights and discretion to amend any rules and regulations in respect of the event.
