Topic Outline

Witness examination is a crucial aspect of a trial. Be it examination in chief, cross-examination or re-examination, each play a different role in presenting one's best case before the court. This webinar will explain the cornerstone of witness examination and guide you through the intricacies of examining a witness. From analyzing and strategizing one's case to drafting questions and most importantly, standing up in court during trial, this webinar seeks to guide lawyers from all stages of practice on how to effectively examine a witness.

Another vital aspect of trial, which is often overlooked, is the ethics of an advocate in court. This webinar will highlight the key ethical provisions to apply during witness examination – in other words – the do's and don'ts of witness examination.
