The Professional Standards and Development Sub-Committee has undergone an unprecedented time with the hit of Covid-19 pandemic. Under the Government's Movement Control Order (MCO), no face-to-face meeting, seminars and workshops are allowed pursuant to the Standard Operating Procedure (SOP). The Business is "not" as usual anymore. Hence we are conducting all talks via Zoom Webinar. Despite some hiccups and limitations, we have managed to overcome the challenges and continue momentum from previous years.

With the support from all the stakeholders, we have organised numerous talks on various topics of law since May 2020. We append below the details of talks organised for the period of 2020-2021. Please be reminded that the Pupils under the Selangor Bar are required to attend minimum 4 talks organised by the Selangor Bar. Mr. Richard Teh has been the Moderator for most of the talk.

The Speakers are mostly practitioners including academician, consultant and expert in their respective field of practice. We would like to take this opportunity to record our immense appreciation and gratitude to the Speakers for sacrificing their time to share knowledge and experience to the Members and Pupils in particular. Kudos to the Speakers!

The Selangor Bar Committee has decided to charge a flat rate of RM10.00 registration fee for the talk. Besides to ease the burden for the Members and Pupils during Covid-19 pandemic, our objective is to make the Members and Pupils better equipped with necessary knowledge and skillset to stay competitive and competent ahead of this trying times.

Special thanks to Ms. Vasantha, the Selangor Bar's executive officer and her team who have worked relentlessly to ensure the smooth running of Zoom Webinar. Their dedication and commitment are remarkable. We thank Ms. Florence, Mr. Tofan and their team from the Malaysian Bar CPD for hosting the Selangor Bar talks and their kind assistance rendered to make the Zoom Webinar possible. We also would like to thank Mr. Richard Wee and Pn. Murshidah, the Co-Chairpersons of Malaysian Bar Professional Standards and Development Sub-Committee for their support and encouragement.

We take responsibility for any shortcomings and appreciate any constructive feedback to improve the delivery of the talk in the future.

Lastly, everyone please #Staysafe #Stayhealthy #Stayproductive (my usual closing remarks as Moderator).

Thank you.
