About speaker – Thency

Thency is a passionate advocate for the rights of children and their families. Her work has been focused in the area of women's human rights, child rights and child protection. She strives to create spaces for people to learn and unlearn as part of the journey towards truly making child rights a reality for all children.

A co-conspirator at SPEAKS, an organisation focused on creating safer spaces for children and young people to be able to truly be themselves free from fear and harm, Thency is fascinated by the complexities of the human mind and strongly believes that a holistic child-centred approach to education is crucial to enable children to truly be themselves.

Fees paid is not refundable, however a replacement is permissible provided the Selangor Bar is notified of the new participant at least 48 hours prior to the commencement of the event.
